“ *We had some great fun times together over the years. You were more than just a mother-in-law. You were like a mother to me.*

*During your illness you never complained. You took it all in stride.*

*I love you and I miss you very much. You will always be in my heart.##imported-begin##Fran##imported-end##*

“ *In My Pocket*

*I have memories in my pocket.  
They rattle among the change.*

*My memories of you are treasures I carry wherever I go.*

*They are stored in bits and pieces, parts of a beautiful whole  
They give me comfort when I think I am alone.*

*Yes, I have memories in my pocket, like so much other stuff I keep  
there.*

*But of all the treasures I have, it's the memories of you that  
are the most precious.##imported-begin##Kerry
