“ My heart goes out to the entire Reese family and you are in my prayers. I fondly remember Reese from DOC, particularly during her tenure as a Case Manager at Occoquan and CDF and while she was carrying the twins. She had a big and caring heart for her clients and staff and always gave her professional best....I loved to tease her and watch her roll her eyes! I will miss her so much but she leaves me with many fond memories.

Love to you all
