“ To my family, I am greatly saddened by your lost. I met my cousin Edith when I was about 14 years old for the first time when she came to Virginia. The most that I remember of her so well is that she could send a song like an angel. She had the most beautiful voice and her smile was so warm and giving. She loved with her heart and soul. She will be missed but she will be remembered. Again, I am so sorry for your loss and I pray that God gives you strength while you make this journey without her. Much love Beebe.
