“ *Asihah was a great friend & was always looking out for me here at Tiber Island. I was blessed to have known her & enjoyed spending time with her whenever Thank you,I had a package or just dropped by the concierge desk to say hello. She has already left a "hole" here at Tiber Island & I miss her. I am comforted by her very warm spirit & smile that continues to fill the corridors here. She was a very dedicated "team" member & is already missed. Asihah will no doubt be a new angel now looking down on me, keeping me out of harm's way & making sure I stay smiling. Thank you Asihah for all that you gave to the entire community here at Tiber Island. I appreciated our friendship & always looked forward to seeing you.*

Asihah and I (Eric Kai Billups) were friends who met while working together at Seabury & Smith in 1990's. We lost contact after I relocated and I would think of her often. Today I had a dream about her and tried to find her online and discovered she passed away in 2018. She was beautiful soul who made me smile. She always looked out for others and was full of wisdom. Rest well my friend, you will be missed.
