“ *On behalf of the patients and staff of FMC Dialysis of NE, we offer our sincere condolences to the family of Mr. Davenport. Mr. Davenport started dialysis in September 2006 and had attended this clinic since June 2009. Mr. Davenport was always very pleasant and kind to others, with a quick smile and a ready word of encouragement. He appropriately advocated for himself and others when things did not go as well as expected. We will miss Mr. Davenport. May his soul rest in peace.*

“ First I am so saddened to lose a good friend as you affectionately called me Lil Sis and I called you Big Bro...We are family but not blood related but you had shown so much kindness to me and my family for years...together we have said good bye to jack, mom, dad, and otha momma and now you....The one memory that stands out was the time I took off for about a week to go help out with Mrs. D and you tried to pay me and I told you no “We are family and that you wouldn’t have to worry being in M.D. and that I would see to it that Mrs. D would be taken care of and told you that you can pay me by going out with the family and eat while I sat at Mrs. D bedside To give the family some rest....I love ya Ed and will miss you!!! Now all the immediate family is at peace and altogether please hug everyone for me and tell Them that we all will continue this friendship on eternity’s shore someday and thank you ever so much for all the love, kindness and sincere friendship that has spanned close to 30yrs Regina Harper-Yellets Irving, TX

My Dearest Eddie, My heart is broken. No one will ever know how special we were to each other, except us. I loved you more than any man in my life. From kindergarten until Oct 30th, I loved you and will always love you for the rest of my life. I will never find anyone like you and nobody could ever take your place. You were my boyfriend to my best friend. I can't remember when you weren't in my life. I have so many memories that we shared. Nobody made me laugh like you did. We could just look at each other and start laughing. We were always so silly together. We knew what each other were thinking without saying anything.....Things will never be the same in this life for me without you. I will miss our 2-3 times a week phone calls. I will also miss our talking about politics, our friends, the good old days and what was going on in our lives at that particular moment....I called the kids and spoke to them. They miss you sooooo much. The kids are doing a good job getting everything organized. You would be sooooo proud of them. You taught them well and prepared them for life. I remember us talking about them and how very proud you were of them. You were always a great Dad and always put them first.....I remember when I would call you and you would say "hey babe". I would ask you how you were doing and you would say "GREAT"! I would say to you " who do you think you are Tony the tiger".?...I have been listening to our song, Neither one of us wants to be the first to say goodbye". Sometimes I would put that song on and lay the receiver down so you could hear the song and know that I was thinking about you...Gary has been a God send to me, talking to me and consoling me day or night. Rhonda and Johnny have helped me too. Everybody loves and misses you. I'm sorry that I didn't come to the funeral but I was afraid my MS would flare up because of the stress. Thank you for all the times you listened to my problems and was always there for me. I remember when you came to visit me in California and Vegas. We always had fun. I could always be myself around you. You never judged me and would just say, "oh that's just Jill". This will be my last letter to you. I just wanted to say goodbye, my dearest Eddie. You don't have to suffer any more. Just rest in peace and know that I love you with ALL of my heart. Your forever Jill
