Poem

The Beat of the Heart

The beat of the heart
nothing can stop
a will to survive
and provide no matter what trials
take all obstacles in stride
the beat of the heart

The beat of the heart
can save the damn man
who insult and curse your clan
because the heart is of man
who can truly understand
the beat of the heart

The beat of the heart
can infuse in little dudes
that life can confuse
so don't be confused
come times do as I say
not as I do
and you will know too
the beat of the heart

the beat of the heart
plays a role inside those
whose lives you chose
to be a part
so the beat never stops
and the proof is here
put your hand to your chest

and you will feel
the beat of the heart

Little Eddie
