“ *I will never forget the time Vincent and I were at the basketball court shooting hoops and Earl and my dad came to the court with tie dye slacks on to play ball. Vincent and I had to admit they were our dad or uncle...They could actually play although they looked like they just came from a photo shoot of Uptown Saturday Niight! Lol. You will be missed.*

“ I am so sorry to hear of the death of my friend and colleague, Earl Milton. I first met Earl when I was in college and he visited his sister who lived next door to my parents and our paths crossed again when we were colleagues at Archbishop Carroll High School. I had the deepest respect for this good man who cared so much for our students. He was loved and respected by parents, his fellow teachers, and by the students. He was a man of faith and good character who served God by loving and caring for our students at Carroll. May he rest in eternal peace and may his family find consolation in their hour of grief.

Spirit of the living GOD falls afresh on us. Brother-in-Law you always showed and gave me love and your support and the Bible says by this shall all men know that you're my Disciple by the love you give unto others.

RIP my Dear One and the love and the memories will always live within my heart. They're plenty indeed. To be absent from this earth body is to be present with the LORD.

We shall see each others again along with your brother Sam.

Love forever Evon Milton
