“ *Juliet, I am sending my condolences to your family in this difficult time. I remember your dad being a man of few words but when he spoke it was meaningful. He was/is an example of what a man, father, husband, provider, and spiritual leader should be in life. Thank you Juliet for allowing me into your life for a brief season to experience the love of your family.*

Take Care,

“ *Juliet,*

I was saddened when Sonia told me of the passing of your father. Even in high school, you spoke of him so lovingly. Remember that God doesn't make mistakes and the memories in your heart will always bring a smile to your face.

Hope to catch up with you soon.

Yours in Christ,

Psyche!###imported-begin##Psyche ###imported-end##
