“ Good Morning Mrs. Watson, Cherie, Harold and Karl, Please know that you are in my prayers as you go through this most trying time. Since you children were very young, you have been a very close family unit. I know this closeness will be a true blessing right now. Lean on the Lord and each other to sustain you. Mourn with the hope of the Lord's soon coming in mind which will reunite your family. Live out each day with the determination that your actions will help to hasten the day of the Lord.

With Love

“ Karl, Harold and the rest of the Family, on behalf of my family, I want to express our deepest sympathy for the loss of your dad. I have been there, and believe me, it is not easy. However, I like to emphasize the bright side and encourage you that the Lord is there to strenghten you through this period. I trust that you would be strong enough to lean on Him to carry you through. We have been praying for you and would continue to do so.

“ Karl and Family, I canâ??t comprehend just how sad you must feel For the loss of someone you love.
This sorrowful time must still feel unreal
And youâ??re looking for strength from above.

I hope, from my heart, that your pain will decrease,
That your spirit will gain strength again,
And I pray that your faith will create inner peace
And that God will send blessings from above, our thoughts and prayers are always with you.

“ Harold-

It's been a long time since I've spoken to you. I'm still here in Flint and haven't talked with you since you've moved to Detroit. I bet it seems as if you will never be able to get over the loss of your father. I understand. But, please know that GOD would not put anything on us that we cannot handle. Remember that. As the days go on, remember the good times and the pain will subside. Be blessed through this storm.
