“ *This is one of the hardest things that I have had to do but then again life is hard. Hearing of your passing brought a flood of emotions to my heart all at once and reduced me to tears. Ms. Ellen was my former neighbor, church member and surrogate mom. She was warm, funny and gracious. She was always willing to help and give advice. Oh how I will miss our chats over coffee on Sunday mornings and regular worship at Holy Comforter. You would rave over my collard greens and devilled eggs at potlucks and that made me smile :). Not to mention how you would beam with pride showing family photos and sharing updates on your travels. Your absence in my life and all of those that know and love you will be felt for generations. Thank you for your love and support. You lived your life with courage and dignity.*
