“ To my Mother and best friend Ms.Elzelma J. Roberson...I am already missing you and the great times we've shared as well as the bad. I know that you would expect me to be strong and I will give what I can, but I also know that there are a host of family members and friends awaiting your arrival with love and open arms in heaven. Just to let you know mom, we will be fine and I will continue to talk to you everyday until I see you again.
