“ Tracy & Terri, this one is tough. I am here for the both of you no matter the time of day. There are so many fond memories I have of Aunt Emily from early childhood through adulthood. I have a voice message from your mom that I've saved from a year ago that I will continue to listen to and save. Aunt Emily is not suffering anymore and is peacefully resting in heaven. She is your heavenly angel and will be deeply missed. I love you both.

Little Tracy (that just took me way back.)

“ My family lived across the street from your mom. We grew up on First Street and Emily was always the one that greeted you like you were special. My sister Laurel and I baby sat Tracy and Terry, which I was proud that she trusted us to care for those beautiful babies. We also took care of the various animals in the neighborhood, one of which was her dog. She had puppies and I guess when she needed a break from them, she would leave them in the backyard. Problem was, they found her way out and was out in the street trying to find their mama. We got up out of our beds and went outside to rustle up the pups. I could go on and on, but the whole Bullock family were special to my family. All of them and I treasure my memories of your family. In fact, we watched most of the children in your family. My sincere and heartfelt condolences to you and your family. She will truly be missed!! Rest in Heaven Emily, you earned your wings!!

Respectfully,

Leslie Haney
