“ *We've got a life to live.  
So let's make it a start.  
One Heart, One Love, One Aim.  
You have reached a new horizon. Reaching further and higher than  
before.  
You are so inspired.  
You asked me to never leave your side and I stayed right by your  
side.  
You are truly magical. You're one of kind.  
Even though we had our sticky times. We were able to survive  
because My love for you is real.  
Eric, You are Soul of my Soul, with each beat of my heart.  
You are the light of my light and I know that we'll make a new start  
in heaven.  
Love, Peace and many Blessings,  
Your Soul Mate,

“ *To the Family:  
Don't mourn but celebrate, God know what's best. Weeping may endureth for a night but Joy comes in the morning. So cherished the memories and be bless with the Love that shared and returned. May you seek comfort from the Lord. It he brought you to it , He will bring you through it. The McCutchen from the tidewater area, Suffolk, Va.##imported-begin##Horace Mccutchen##imported-end##*
