“ *To the family,*

Please except our families condolence on the loss of your son and close family friend to our family since he was a very young child growing up here on MC Dr., Eric grew up to be a very nice and respectful young man, I personally enjoyed seeing him at the market and we shared small conversation about how the family was doing and his upcoming move and future endeavors for himself, we are truly going to miss his presence here on earth, however God has his plans and needed him more than we will ever know, please know that we are here for you and your family should you need us and may the presence of God be with you and your family and I pray that your family will be filled with solace during this difficult time.

Respectfully,

The Hamner Family
