“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 5yrs ago. I'm truly grateful that I have the truth about death and look forward to the ressurection when we will see our loved ones once again*

“ *My condolences to the family and love ones of this kind man. He has been a friend to my family for over 40 years. I will his smile, quick wit and unique laugh for ever. I was fortunate to have gotten to spend some of my early years participating in family events with his family and I consider him like an uncle to me. May he rest in peace and the angels shout for his arrival home. Keeping you all in prayer and asking God to open the pearly gates of heaven to welcome him in.*

Deepest sympathy,

“ Dear Mrs. Bristol, my sincere sympathy on the loss of your husband, Ernie. I graduated with Ernie from Boston English High School in 1952. I remember him as a good guy and a gentleman and a fine classmate. He wanted to be an English teacher, and I hope he fulfilled his dream. I too came to Washington for my career. My prayers are with your family.

“ Mr. Bristol you will be missed. It was a pleasure to see you during your visits to the office.
May the family know that God is a God of peace and comfort. May this and His unfailing love be evidence with you during this time of bereavement.
