“ *To the Family of Etta C. Williams. My name is Nancy M. Coates and I was a student of Ms. Williams when she taught at Souther Senior High. At that time, she was Ms. Bland. Ms. Williams contacted me last year to let me know that she had moved to Upper Marlboro Md and she invited me to visit with her. During the visit with her, she gave me a writing pen with my name on it and things that were left from her birthday party. When I read about her death, I reflected back on the gifts that she had given me and the time that I spend with her. I'm glad that I did. To her brothers and sisters, she was a loving person.##imported-begin##Nancy M. Sesker-Coates##imported-end##*

“ *I met Mrs. Williams in a doctor's office that I used to work in. She was a very loving and giving person who always showed interest and concern in my well being as well as my children. Please except my condolences for your loss and know that she held a special place in my heart as a mother, a friend and an overall beautiful person. I would like to give a monetary donation towards Mrs. Williams church so if someone could please contact me via e-mail so I can find out what church she attended.*  
*Sincerely,*
