“ To the Family of Gene, my name is Will Frazier. I met Gene when I came to the Maryland area in the year 1996. As a fellow Mason, we spent days and nights fellowshipping at Andrews AFB Club and Cartwright Lodge PHA first playing Bidwhist, then Pinochle. He taught me strategies of the games. I was amazed by his knowledge of the games. Like Gene I too am from South Georgia. He loved his family and talked all the time about his daughter and granddaughter, and spending holidays with family. Of all my Masonic Brothers, Gene would always be the 1st to wish me Happy Birthday because both of our birthdays were in December and he would call or text me on Holidays. The last time we spoke was on December the 8th. He texted me Christmas 2021 saying. "Wishing you and your family a Merry Christmas" and then again "Happy New Year! both texts were early in the morning. I thank God for the person Gene had become, he would always ask about my well-being and my family. He acknowledges God and his blessing upon his life and friends like Darryl Liggins who had been there for him. So every time I hear a song from the Temptations' Album entitled "For Lovers Only" I think of my friend Gene because he introduced it to me. Like family, cards, true friends, he loved music. I will miss his texts, calls, and most of all the voice of fellowship. I delight in knowing that Gene knew God, he had plenty of time to fellowship with Jesus. Therefore to be absent from the body is to be present with the Lord. Take your rest, my Brother, Take your rest. To his family know that you were loved so very much and the best way to remember Gene your loved one is to know that he touched the lives of so many people that you will never know their names, strangers. That is what God wants from all of us. Jesus said, "Love the Lord with all your heart and all your soul and all your might and the 2nd is as the 1st to love your neighbor as yourself. May God Keep You and Bless you, may the Holy Spirit continue to Comfort you.
