“ *I'm so sorry to hear about passing of your loved one, Eulis Pratt. I worked for him in late 80's and he was always Mr Pratt to me. He was a kind honest man and loved reaching out to help and encourage his staff to learn and be their best to be successful in their career. He took pleasure in creating those old style spreadsheets and he analyzed the heck out of them to come up with best projections to get enough funding and influence policy to cover the US Navy travel and funding for the military and their family. It was more than just a job to him and he took great pride in his work. He was a pleasure to have for a boss. Sending condolences to the Pratt Family and praying that the fond, fun time memories will comfort all of those who feel the emptiness of his passing. May God bless you all and may Mr Pratt Rest In Peace. Gayle Gedrich*
