“ *I am truly sorry to hear of your lost love one at this time. Just place your trust in Jesus and everything will be alright. Always remember that although your love him, Jesus love him most.##imported-begin##Thomas C. Bush##imported-end##*

“ *Dear Gerald and Gwen:
We never know when God will call, not the year, the day, nor hour, but what we know is that when he calls he plucks the choicest flower. We don't always understand why the angel comes so soon, but God is God all by himself, He made the sun and moon. Cheer up, rejoice, because Everett is O.K., the family is blest because he came this way. Embrace the fond memories of days gone by; prepare for a great reunion, someday beyond the sky.
