“ *Mrs. Hawkins was our mom who lived next door. Though not blood related, she was "family". She had a beautiful heart and always made me feel welcome in her home. A few years ago I mentioned to her about my love for a lemon cake she had made when Marsha and I were young that we were able to sample. Within a week after sharing with her my memory of the cake, I received a birthday gift from Mrs. Hawkins it was a warm, freshly baked, lemon cake. She will be very missed by all of us.*

“ *Mrs. Hawkins has been a part of my world since I was born. She has known six generations of my family being our neighbor for about fifty years. She was a wonderful woman. My kids loved her, I loved her. She will be missed. Sheree Rymenams Siddiqui (the Elgin family).*

“ *There will never be another like Bea. There are words that people say to you that most of the time you might remember. Whenever I called to her or she called to me I could always trust the first two words that came out of her mouth. Those words were "Hey Jeanne". Hey Jeanne was filled with love, care and support. I will truly miss her and hearing those words.*
