“ I would like to extend my sincere condolences to the family of Florence Freeland. It seems so unfair that death should have the power to take away your loved one. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear. That pain is not necessarily erased by being told that your loved one is up in heaven. The Bible, however, holds out a much different hope. It is God's desire and promise that you see Florence again in the near future, not in an unknown heaven but right here on earth under peaceful, righteous conditions, where pain, sickness and death will be no more. Please read these promises at John 5;28,29; Psalms 37;29; and Rev. 21;3,4. No doubt your heart yearns to see Florence again. It would be my pleasure to assist you in learning from God's Word the Bible how you can make this sure hope your very own. Take care,##imported-begin##Roxanne##imported-end##
