“ *Our sincere condolences on the loss of your mom. She was a jewel who loved life and loved the lord. She always had an answer to anything you asked and always knew how to make u feel better. I can't express what she meant to me, she was like a second mother when I was going through rough times. I know she truly loved all of you. May the gifts she gave you in her lifetime, and the precious memories of her life with you, give you strength, peace and joy in the days and years ahead. Milton and I take comfort knowing that one day we will all see her again.##imported-begin##Ann Newman##imported-end##*
