“ Freddie, I'm very sorry not to see you for the last time and then it better to remember you yet before, for we know how much our lives meant to each other. Of course I being the younger sometimes seemed much like a father-son relationship, but indeed a true friendship that I will miss.

For the Family, that I know and when we are together that just how I feel, I'm very sorry for our loss, but let's continue on to be strong to help, love and communicate with each other. This I know will make healing of the soul better. I am having my "moment" now right with you. I pray for your family and my Family for good health, prosperity and spiritual growth. God Bless us All.##imported-begin##Willie L. Pope##imported-end##

“ FAMILY,

Ed and I are so very sorry that we will not be with you during our time of bereavement. Please know that we love you and that our sincerest prayers and warmest thoughts are with you.

We will all miss Fred Jr. very much! He had such a magnetic personality, was so much fun to be around, and made us laugh all the times we were together. June, as we so affectionately called him, was always so upbeat, energetic, and vivacious. June was June! He was "the life of the party"! You had to love him!

Fred Jr. loved his Uncle David and Aunt Ola, and we all loved him. Mama and Daddy treated him like a son. He would always come to see us when he'd come to North Carolina. David Jr., Barbara, and I have such special memories of June and often laugh and talk, fondly, about him. He will continue to live on and on in our hearts and minds, forever.

Fannie, you were a wonderful, dedicated, and devoted wife to your Freddie. Through all of those many, many years, you were faithful to him through "the thick and the thin" and to the end. You did your part! May God grant you strength to carry on.

We look forward to seeing and spending time with everyone when we come home in May and June.
