“ *I sincerely wish to express condolences from the Kennard High School Class of "1966".*

Freda was a loving, kind, and generous friend to all those that she came in contact with. My fondest memory was her befriending me as our schools integrated. She treated me like we had grown up together all our childhood lives. My first trip to the school cafeteria for a purchased lunch and all the trimmings were with her, Ruth, and Iantha. My day was fulfilled with her friendship as we exchanged different things between us. We separated in the latter years of our highschool education and occasionally kept in touch through her brother Gordon. She will be sadly missed by us all and forever remembered in my heart.

I'm sorry that I could not be there to bid you farewell to a Better Home than this Old World could ever afford you.

May You Rest In GOD'S Eternal Home!

*With Sympathy,
Bessie Cheers Lively
Former Chairperson Class Reunion Committee*

“ My condolences go out to my extended family. I am just so sorry I wasn't there to see my second Mother as often as my heart desired. I have missed her a whole lot. I called her Ma Freda; I loved her as if she was my mother. She has always been so good to my family and me. I love her so much and I will miss her, but she will always be in my heart. I am just glad she doesn't have to suffer anymore, now she is in the bosom of the Lord, and dancing with Bertha my mother. Love Angela (Hagatha—she called me that all the time)

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
