“ I met Jay when I was about 8 or 9, I believe at our church. He was so funny and it was great being around him. I know that he touched a lot of people's hearts and he will be missed. Looking back and reflecting on good memories of him will definitely help you during this time and as you try to move on. Stay on your knees and remember you will see him again in Heaven.##imported-begin##Zakia##imported-end##
