“ *I'm so sorry to hear about Gary. He wouldn't know me -- I only chatted with him a few times in the library -- but I have thought about him several times since then because he made an impression on me. My prayers are with you in this time of sorrow.*

“ I was so sad to hear of Gary's passing. He was a wonderful friend. I remember the time Kim and I were invited to the baptism of his son and then later went to his Mom's home for a cook out. We had a great time. Gary and I went on a trip to Seattle with our office and did a lot of sightseeing. I know Gary loved his family very much and he will be greatly missed. May God Bless the family.

“ My name is Jessica. I worked with Gary in the library for many years. Some of my fondest memories are of the library holiday parties. Gary would bring his CD player and play dance music for us after we finished eating all the good holiday food. We would dance the afternoon away to tunes like "The Electric Slide" . Pat, I am a widow too. If you ever need someone to talk to Larry knows how to reach me.

“ My deepest sympathy to Gary's family and friends on this tragic and untimely loss. I had the privilege of working with Gary. He was such an easy going guy and always the gentleman. He was a wonderful mentor to new employees and was always willing to share his knowledge and wisdom with others. It was always a pleasure to work with him.
