“ *I well remember Genine and I'm so sorry about her passing. I'm the one who painted her and her husband's portrait - many years ago.##imported-begin##Miriam Rothchild##imported-end##*

“ *Dear Doris and family members,*

My prayers are with you doing this time. Take comfort in knowing that Genine knew the Lord and she is resting with him now. She was as we all are, here for only a moment. May God bless and give you peace during your healing period.

“ *In Memory of Our Dear Friend, Genine Covington:
In the rising of the sun and in its going down, we remember her; in
the blowing of the wind and in the chill of winter, we remember her;
in the opening buds and in the rebirth of spring, we remember her;
in the blueness of the sky and in the warmth of summer, we
remember her; in the beginning of the year and when it ends, we
remember her; when we are weary and in need of strength, we
remember her; when we are lost and sick at heart, we remember
her; when we have joys we yearn to share, we remember her; so
long as we live, she too shall live, for she is now a part of us, as we
remember her. Love, The Neuman Family##imported-begin##The
