“ *Daddy George, I just can't believe that you left me and Mom. I didn't believe it was real until I looked at the obituary section on Sunday. I love the time we spent together all the way till the end. You gave me a goodbye kiss and a smile before I went to bed. I know you did that very last day what you wanted to do. You looked at the game and enjoyed it. I hurt so bad because I could not revive you. I wanted to save you like you always saved me. I wanted more time with you. I wanted more laughs . I just wanted more. You will always be special to me. You will always be everything to me. I love you so very much!*

“ *Dear Irene and Family,
My prayers are with you and the family. George was a dear adopted brother to me and my family while growing up in Southeast Washington. He was always positive about life no matter what the circumstances. Remember always that the steadfast love of the Lord never ceases; His mercies never come to an end-they are new every morning. Hold on to the loving memories of George.###imported-begin##charlotte brown###imported-end##*
