“ *You were always a good neighbor, I remember how you cared about the community; how you looked out us when mother or daddy went out of town. Rest in peace. He is now sitting in a higher place and still looking out for those that he love. Remember that the WORD says that we are surround by a great cloud of witnesses. He is now one.##imported-begin##Claudette James Oliver##imported-end##*

“ *Mr. Jarvis, You would be missed very much, I remember as a youth, how we would see you sit on the porch every single day and always took the time to check on us and say hello. I know u r happy in the presence of Christ. My prayers go out to the family, know that he is in a better place. He was well loved by many of the youths that grew up on Girard Street.  
Be BLESSED##imported-begin##Janeen Washington-Bailey##imported-end##*

“ Our prayers are with you in this time of loss. The Bible says that to be absent from the body is to be present with the Lord. There is also a scripture that reads, When this earthly tabernacle is desolved we have a home not made with hands. Brother George is were we all long to be and thats with the Lord. I know the you miss him but remember what legacy he has left here for you and continue to build off it. We love you all and don't hesitate to give us a call for anything.##imported-begin##Dea. Lonnell Roberts and Family##imported-end##

“ Dear Family,

I pray that the love of God will console your hearts and draw your family closer together as you go through this loss.

May you be reminded of all the special moments you have spent with your father.

Billy and I send our love and we are praying for you,##imported-begin##Billy & Rosemarie Crawford##imported-end##

“ *Mr Jarvis, it has been a pleasure to have known you for the past Forty years. I still remember sitting on our front steps you would come down the street from working and sometimes you would share your peanuts with us. The peanuts were just regular peanuts but you made them seem so special.*

*Thank you very much*###imported-begin##*Nat Lewis*
