“ *To the family of my Frat George Vincent. My condolences and empathy for the lost of your, husband, father, brother, cousin, and friend. I ask that God send the Comforter to each to you to wipe away your tears and let you know you that your love one is in the arms of the Lord. Where he will sleep until it time to rise up. Please remember that he will never leave you during your time of grief. Know that your memories of George will always be with you along with your love. i know I will never forget the many times with George at UDC with my sorority Zeta Phi Beta and my Frat brothers of Phi Beta Sigma.*

George was always a leader either with his Frat or the University as the Head of the Student body. He was there to help new students navigate the campus or class registration, clubs and organizations. Least I forget George knew how to party. We called him the Mayor of DC because he had the finger on the pulse of everything happening at UDC. I will miss you George forever, my love and prays to your family.
