*I am the manager at Tappahannock dialysis. I named George affectionately Brother George. He has always had a chair at my center and I will never forget him. We became very close over the years. It was a please to take care of him.*

“ I want to give honor to the friendship I had with George Williams. I affectionately called him Babe. It was a long friendship which began in the 1960s when we both lived in Washington, D.C.

We remained casual friends after I left the United States for employment overseas. Whenever I returned he was always good-natured and kind and fun to be with whenever we met up for dinner to talk about "the good old days".

Being a missionary overseas for the last 21 years I have not had much contact with George. Nevertheless, he will remain a cherished friend forever. I send my condolences and blessings to all who had the privilege of knowing him.

kindest regards,  
Tina Hite
