“ *While there is nothing that I can say to help you ease your sorrow, take comfort in the knowledge that there will always be tomorrow.*

I can not comprehend just how sad you must be feeling, the pain within your heart takes time to start the healing.

Let the memories of the years youâ??ve shared wash over your hearts and souls, let the knowledge that you are in our prayers, help you to console.

Let her spirit fill you with strength and love may it help the pain decrease within your souls, as each day that brings a glorious dawn creates an inner peace.

With my most Sincere and Deepest Condolences for your loss##imported-begin##Kenneth and Ki Erik Carter##imported-end##

“ *If I could bring you back again,
For one more hour or day,
I will express all my unspoken love;
I will have countless things to say.*

If I could bring you back again,

I will say I treasure you

And that your presence in my life are more than you ever knew

If I could bring you back again

To tell you what I should

Youâ??d know how much I miss you now

And if I could I would.##imported-begin##Karen Carter##imported-end##
