

Gerard Monk

October 2, 1975 - April 18, 2009

Gerald Alexander Monk was suddenly called home on April 18, 2009. He was born to Commodore Harvey Monk and Barbara Liles Monk on October 2, 1975 in Washington, DC. He was the beloved grandson of the late Davetter Shepard and the late Virginia Lilies.

Gerald joined Ebenezer AME Church at an early age where he sang in the choir, attends Friday night youth activities and Sunday School. As an adult, he regularly attended the early service.

Gerald was a graduate of Gwynn Park High School and the Computer Learning Center where he studied computer technology. He was currently enrolled in the HVAC Apprentices Program at Montgomery College and would have completed this first year this month.

He was employed for several years as a Telcom Technician for Open Technology Group and CIS Global at National Institutes of Health, and for CIBER at the World Bank as a voice technician.

Gerald was a dedicated employee wherever he was employed, He took pride in his work and believed that all work was honorable. He began working partime at the Livingston Health Care Center during the 10th grade and continued through the 12th grade. He had a special connection with the

elderly clients.

Currently, he was a certified emissions inspector for Environmental Systems Products Holdings, Inc.

Gerald had a hardy laugh and loved to tease. He will be missed by his parents, his grandfather, Lee C. Liles; his uncles, Lee Liles Robin, Donald Liles Evelyn, Gerald Monk Belinda and Cecil Bulter Ruby; four close cousins, Michelle Jessie_, Daron Liles Stephanie, Nicholas and Jerney Liles; three aunts and a host of cousins, friends and coworkers.

Gerald left a hole that can only be filled by the knowledge of God's promise to all who believe that He is who He says He is. Sleep our chils until that day we meet again.

“ I am so sorry to hear about the passing of Gerard. We went to school together, and I also attended Ebenezer AME church. We hung out a few times, but unfortunately, I didn't get the opportunity to meet his parents. I was thinking about him, so I decided to look him up, and found that he has passed. He was a very nice person, and I'm glad I got the chance to spend some time with him. May God bless you and your family.##imported-begin##R. Shanara McKinnon##imported-end##

“ It is contrary to the natural order to lose a son or daughter. Such a loss is unimaginable to those who have not lived through such a tragedy. I hope you are able to find some comfort and strength in your faith and the encouragement of your friends and associates. You can be sure that you have been in my thoughts and prayers since you stopped at our table in Palm Springs to whisper in the ear of Stewart Hauser.##imported-begin##Ken Bargteil##imported-end##

*Our hearts are heavy because of your loss. You both have our deepest and heartfelt sympathy. Words can not be found to soften the loss you are feeling for you beloved son Gerard. Trust God he will be your strength. I hate we have not been as close as we could have been and life circumstances have caused us to loose touch in someways, but, we are family, you were there for us in our time of need and sorrow and we will be there for you.
