“ *It is always with sadness to read about someones death. However, it is comforting to know that Jehovah has promosed at Isaiah 26:19 "Your dead ones will live...They will rise up. Psalm 37:29 takes it further and state that "The righteous themselves will possess the earth and they will reside forever upon it." So not only does he promise to resurrect those who die, but also that one day we will not have to die at all.*

I hope these scriptures will bring comfort to you and your family during this time.##imported-begin##Mary Alston##imported-end##
