“ *Cooke family my life long neighbors and friends. I have know you and both your parents since we were children. Mrs. Cooke was always the sweetest and loving person. She reached out to my family and especially my daughter. I remember she would call my dad Falls as they would talk and joke on the block. Please know that I understand what you are going thru and will always be there if needed. Love always Venita##imported-begin##Venita Parker##imported-end##*

“ To my dear cousins, please know that you and your families are in my thoughts and prayers. Due to my life situation I will be unable to come to Washington DC on tomorrow. Life deals us all kinds of blows and we have to face the music.

I must say that your family has been bless to have your mother with you for such a long time. Remember the good and the bad times and know that the memories will carry you through.

Once again my prayers are with you. If I can do anything to make this time easy for you - from my distance, please let me know.

Your mother warmed my heart everytime I talked with her. Her soft kind voice and words of wisdom stick in my mind.

Love Always,
