“ *With grateful heart we are thankful for the years that Bob and Annette loved and comforted each other and the many miles that they traveled safely on the highways visiting friends, attending school reunions, church functions, attending funerals and family holidays. Their favorites were Memorial Days, to decorate the graves of her loved ones in West Virginia, the Gary District High School reunions and the Pig Roast and Family Day in Plain City, Ohio. They would gather up a carload of the Cleveland Family and strike out for a long day trip to the country and the fellowship of our extended Frazier Family.*

*When they stopped coming to the Pig Roast during Labor Day 2001, we knew that Father Time had caught up with them. But Bob and Annette Williams sure gave the Old Guy a great run, staying active well into their eighties. Perhaps their time together in heaven be full of friends, card games, good blues and soulful meals. I hope so.*

*Bright moments from your loving family,*
