Tribute Wall

“ *A Brother's Love*

*There is a loving bond
that only siblings can know,
built on cherished memories
of special times together
and a closeness that will always
mean so much...
And though words fall short
At a time like this,
may it help bring you comfort
knowing that your brother
will always be a part of you
through this bond
that lives on in your heart.
RIP.*

*Love,
Pedro*

Greg, I called the Help Desk recently and asked about you. Little did I know you had gone home to heaven! I miss you, my friend-our talks, your expertise as you figured out my computer issues, your friendship. You are missed. Jana Spring

“ Greg Haley was always in a good mood and super helpful whenever I called into the help desk for IT assistance. It is rare when you leave an experience with any help desk in a better mood than you came there with, but that is what always happened when I talked to/worked with Greg on anything. He always made your day a little brighter and better than he found it. I will miss him for that. RIP Greg. JB
