“ *To The Family and Friends*

*My name is Delores Anderson. I am a Weatherspoon by birth I met Greg via Facebook about 5 yrs ago not knowing that our friendship would come to this point. Although a few yrs older than him we just hit it off as though we'd known each other forever. As one lady and his daughter spoke about the good morning/good night z-z wishes; u knew u were special if u received either or both. Though I never met Greg in person, I feel as though I've known him all my life because he made me feel special. I think we talked about everything under the sun . From religion to family. But there were doors that he wouldn't let you in until he was comfortable. As his niece said!; he was most definitely a 'Mama's' boy. I felt that from the very beginning I only learned of his transition just this week. But I feel as though I'd known Greg for a lifetime. There's so much more I could say. But again never having met him physically but again feeling as though I've known him a lifetime,; I know that God has gained another angel. Sending love and condolences. I say to you family.... continue to cherish his memories and know that he is in a better place With the love and grace of God;
Delores W Anderson*
