“ *I worked with Gwen when we were both at GAO. We also had training classes together while at GAO. I remember her professionalism and desire for continual improvement during those times. She was a joy to be with and I look back with admiration and respect for her. I also remember the sadness I felt when I heard about the passing away of her husband over 10 years ago. I could not believe why this would happen to her. Gwen is now reunited with her husband in a better place, and I pray for her soul and for her children and family during these times.*

*May the perpetual light of God shine on Gwen and her beloved husband. God bless you Gwen.*

“ To the Family,

*I had the unique opportunity to meet Gwen several years ago when my sister and I attended the Kettering Baptist Church Women's Retreat. Gwen was assigned to be our roommate and, she was the most amazing, quiet, somber and loving individual that has ever passed my path. In a short time, you could see that she was God's child and an enormous inspiration to all. She prayed continuously and shared her beautiful voice early in the morning and, as we each shared our lives, the good and sometimes very painful, we knew that God had placed us together as roommates to become sisters and friends, but more importantly to become an encouragement to one another.*

*Gwen did become a friend and, at every church service, I looked forward to seeing her, the awesome smile and grand hug she would provide. We knew, without a doubt, that we were praying for one another always. To see her was to know that she was sincere, so very happy to see you.*

*I saw Gwen about a month and half ago when she attended the 10:15am service and, she was "glowing" with that magnificent smile and, even amidst her illness, I knew she was going to be alright for, she was in God's care and protection. That morning it appeared that she had a "halo" over her and was beaming and just so glad to be a part of the Kettering family. She was a wonderful parent, gracious in all ways and, the title "Princess" is only befitting and, becoming of the person she was. Family, remember her goodness, her love of all, the smile that had a thousand "I love yous". Please know that Gwen was one of God's merciful sparks, here only temporary, and, is without a doubt, awaiting, you, me and all of God's children happily around our Father's throne. God bless each of you, stay encouraged, your mother, sister, Princess, and my friend, will be deeply missed and memories will last forever. We know that she fought the fight with humbleness, dignity, grace, love and a smile that will forever be in our minds.*

*Lovingly,*

“ I am so sorry that you lost your loved one in death. May our loving heavenly father encircle you with his infinite love and give you the comfort you need to help you to cope with your sorrow. This sickness and death was not his purpose and he has many wonderful blessings in store for those who put faith in his means of salvation; which is his Son, Christ Jesus. He died and paid the ransom price so that we could have life and have it in abundance. John 10:10. While he was here on the earth Jesus cured many of their sicknesses and raised many people back to life; including Lazarus and a little 12-year old girl. Mark 5:38-43. These were foregleams of what he will soon do as our glorious king; to make life possible again for millions who have died. One day soon they will hear his voice and come out of the memorial tombs to life everlasting. John 5:28,29. May you be comforted by this promise.
