“ *To My Beloved Friend, The Late Gwendolyn Knott Jackson.*

You are the rose that has fallen beneath our mist among our Sarah Circle Family. The roses that represented many fragrances and spreaded beneath us all.

Dedication, love, perception, patience, diginity, friendship, love, and peace. You represented all of the above.

A cooperative, and a very kind person who demonstrated much love to people and certainly assisting and serving seniors.

We have lost a jewel. One that, we will meet in the heavenly kingdom. A remarkable woman, one of vision,statue, and in truth.

Sorrowfull Yours,

*Mrs. Margaret Ann Jackson
