“ To the family of Hazel Brawner: my sincere sympathy in the loss of your mom. Hazel was a lovely and fun person. I did not learn of her passing until yesterday, 4/10/08. A member of the bowling team Hazel used to belong to, and we still do, gave me her obit. Hazel was a classy lady, and was mentioned often by most of us. We miss her still in the league.##imported-begin##Barbara L. Graves##imported-end##

“ To Uncle Donald, Ms. Newman, Cha and Sandra:

It has been 20-25 plus years since I have had contact with your wonderful family. The loss of Nana really touched my heart. You see it was Nana that gave me the nickname "BA". I pray that Nana's soul is at peace/rest and strength for the family. May God continue to bless and keep you.##imported-begin##Kenneth G. Johnson##imported-end##
