“ *TRIBUTE TO MRS. HAZEL M. GARDNER. It was with great sadness that the Second Baptist Church Southwest Youth Department learned of the passing of Mrs. Hazel M. Gardner. Mrs. Gardner had an enormous sensitivity to the need for development of our youth. She was dedicated to their personal growth as well as to their use of their spiritual gifts. In 1992, she asked if a service could be set aside each year in which the youth could share their musical, oratorical, dramatic and literary talents. The service was so successful that in 1993, Pastor H. Joseph Franklin, supported by the Church and the Official Board, proclaimed the third Sunday in September of each year as The Hazel M. Gardner Youth Talent Day. During the service, every young person who wanted to participate was able to do so, and as many as 75 participated at one time.*

Because of Mrs. Gardner, our Youth Department flourished. Besides missions and recreational activities, we were able to travel all over the world including to the Bahamas, Canada, Alaska and Europe. Those children who regularly participated went on to lead productive lives. They are now teachers, engineers, bank vice presidents, and entrepreneurs. Most have graduated from college and some hold Master's degrees. Many are fantastic parents, raising their own children in the fear and admonition of the Lord. The lives Mrs. Gardner touched are as innumerable as are the stars in her crown. Her legacy lives on in those of us, young and old, who benefitted from her vision and generosity. She is certainly missed.

*Swing softly, softly, heavenly gate,
Thy portal passed, no more to roam;
Our traveler finds her journey o'er,
And at rest at last in "Home Sweet Home"*

“ *Words can't express what you mean to me. What did for me. What you gave to me. You taught almost everything I know. My number 1 cheerleader, my road dawg, my boo, my friend, my Granny. There is no lover greater than the love I have for you. There's so much I want to say until right now the words won't even flow. You knew me almost better than I know myself. So much alike we are. And with that said you know exactly what's in my heart b/c you put it there. I love you Granny.*

One glad evening God saw fit to release her soul to the heavens to meet her King, who she has served all her life. I will miss the many days we had together of playing our favorite game "SCRABBLE". I'm sure there is a scrabble partner up there waiting for you.
