“ Granny,

It has been less than 30 days & I am taking it one day @ a time. I miss u soooooo much! Just hearing your voice, kisses, hugs, I am so glad that we had so much time together and didn't let a day go by without sharing kind words, kisses, hugs and lest not forget our crazy laughs. The evenings are the hardest 4 me right now - however, I just know that I may never see you in the flesh again, but your spirit, the sound of your kind voice, the life long conversations that changed my life, scriptures, prayers, all of those will 4 ever remain in my mind, heart & soul. You were everything 2 me and I will 4 ever treasure it all. You are still a very important part of my life and will remain just that - I know that you are blessing many hearts in heaven and I thank you 4 taking time in my life - 2 bless, encourage & inspire me all the years that you did.

Rest in peace Granny - I love u today & always. Tell Daddy Courm I said hello - I know u 2 r 2 gether, 4 ever, in heaven.##imported-begin##Michelle Monroe##imported-end##

“ Granny,

From the time I can remember, you have always a mother to me. I will never be able to put in words the pain I feel for what happened to you that led up to your death, however, I only can thank God for you caring enough for me to take me into your life as your own. I learned so much from you in my life and will use it as you would want me to do. I miss our daily evening talks & visits - that's the hardest thing for me right now. In spite of it all, I know you are truly one of God's angels and he didn't allow you to suffer anymore. I will forever treasure all the memories, good, bad & ugly, which helped me to grow stronger. I will miss you sorely, day by day, but your kind spirit, the encouraging words, prayers, scriptures, will forever remain in my mind, heart & soul. Thank God I took the time to spend with you - the memories are priceless - the sound of your voice, your touch & the many small things we found to laugh at uncontrollably..... You were the best "mother" a child could ever wish for. I thank you for enforcing the discipline, loving, nurturing, providing, teaching, inspiring, uplifting & never giving up on me and my kids. When I think of all that YOU acquired here on earth, I stored it in my heart and will pass it on to those that I can help. I can only give all the praise to our Lord & Saviour for letting me be able to share my life with you - I know you are in heaven amongst the angels, no more pain & suffering - God knew & loved you more though. Tell all of our loved ones I said hello and I surely look forward to meeting you all in heaven one day. Continue to bless everyone's heart & I will continue to bless your "big" heart that is a big part of my life and will forever be.##imported-begin##Mickey##imported-end##

“ To my sweet, compassionate, God-fearing virtuous great-granny:
You were one of a kind sweet and always loving; you will truly be
missed forever!
Ma,
Know that GOD sees and hears all of our prayers and cries. HE
knows what's best and saw that Granny needed eternal rest. I love
you and loved her more than words can express. She's in a better
place now and getting some much needed rest. My heart hurts too
but there's no need to be discomfited and depressed for long.
She's just a prayer away and one day we shall be honored and
blessed to be face to face with her.
I Love you always,

“ Hi Granny!!

It's gonna be rough for us down here but we're determined to keep our faith. I remember you being a God fearing woman that cherished everyone you met and NEVER did you have a harsh word to say to anyone. IT WAS MORE LIKE BLESS YOUR SOUL.

We got to spend some time together when I was taking care of you, but one thng I'll never forget in those short months, was to always be kind to people. GRANNY, beleive it or not, it's still hard for me cause you know some folks will make you loose your religion so I'm still trying. Thank you for always having some words of encouragement for me letting me know things were gonna be alright. I hope I can learn to be the person that you were. I love you and you'll truly be missed by all.

Stay strong Granny and have a ball cause I know you're one of God's strongest followers. PRAY FOR US DOWN HERE GRANNY CAUSE WE TRULY NEED IT.

XOXOXO

“ To the Bereaved Family of our departed Sister, Hazel L.Courm

We want you to know that, to us she was a very Unique and Special Woman.

She possessed certain wonderful traits that made her so Special and such a Blessing.

She was the Epitome of Love.

She was Giving and Kind to everyone.

Oh, yes she have slipped the surly bonds of earth, and topped the wind-swept heights with easy grace. Family, we know that you will miss her, but remember, what the Divine Sherperd, David, said in the 23rd Psalm, that the Lord is your Shepherd, you shall not want, and to sum it all up, he said that the Lord Maketh, Leadeth, Restoreth,Preparest and he also let you know that goodness and mercy shall follow you all the days of your life...just you keep dwelling in the house of the Lord forever.

May The Lord God Bless you and keep you as a family until you meet your love one again.
