“ To My Dearest Great Grandmother💖 ,

It's LeeLee. Words cannot express how much I miss you and the time we have spent together, even through the days where we woke up early to make pamphlets for church service . From the brown lipstick kisses, to the puckerlup (kisses) requests , and hugs oh how I would experience it all over again. I am sure you are proud and thank you for guiding me in spirit and protecting me. You knew I needed you on the days I was silent. From what I miss the most you , your strength, your guidance, your love , your cooking and even down to dancing together listen to cooking water as we cleaned. I know you are proud of me ! As I keep pushing , as I walk my next steps in life I know you are still with me . To my next degree 📖 , we will be walking the stage for a second time.

I will still carry the legacy ! Love Grandma's Baby.
