“ *Loretta & Lenora - my deepest sympathy to both of you during the loss of Mom. I know you will miss her and she will be in heaven preparing a place for you when your calling comes. Also to Amir - you had a lovely Grandmother and I know that you will miss her just as much. Just keep the good memories in your heart and tell your children all about her. I'm sure you have alot of stories you can tell. Love to all of you. Mary###imported-begin###Mary Bolton###imported-end##*

“ *May your many good memories of your mother sustain you in your time of grief, and throughout the rest of your time on earth. There is value in celebrating the fact that Helen Bogg lived - it's probably difficult to feel joy at this time, but hopefully in time you will feel joy in the fact that she lived. It may always be joy tinged with sadness that she had to leave, but you will be re-united with her in the future. That is something we can all look forward to.###imported-begin###COL Kathleen Pedersen###imported-end###*
