“ *What a beautiful, strong, loving christian woman Helen was. Our family is better off having known her and the world is a better place because of how she lived. I remember several of the Slade Family Reunions that she and Laverne participated. She was always the first one on the softball field and the first to sign up for volleyball or putt putt. Not only was she anxious to play, she always beat most of us in whatever game was being played. She never bragged or boasted about her athleticism, but just laughed or smiled each time she beat one of us. She will be sorely missed by my biological family, as well as our church family and friends. Although no one can take her place, I will continue to serve as Laverne's 2nd Mom. We all should try to live a life like Helen so when our name is called, we will have the same "win-win" resolve Helen had, knowing without a shadow of doubt where our final resting place will be. Rest in peace sweet Helen###imported-begin###Mary Settle###imported-end###*
