“ I would like to express my deepest and most sincere sympathy and condolences to the Lee Family. Howard and I have become very good friends and he even considered me to be his "little brother." He was loved and admired by many based upon his personality, his genuine care for others, but most of all his gentle spirit. He will be missed immensely and there are no words in the English language (nor others) that can express how saddened I am concerning his passing.

Until we ride again, brother...

Respectfully, I am,

“ Good evening,

I worked at the DC National Guard with Chief Lee, I have always known him to be a quiet gentle humble man, never seen him angry and he always had a wonderful personality, he gave his all in his work endeavors and performed his duties well; and where I did not know much concerning his personal life, he did share with me his passion for bikes and how much he enjoyed riding them, I would imagine that was one of his greatest passions.

I am sure he would be missed as I am sure he was loved by many family members and friends, but just remember that a Salvation Spirit lives on in memory, in God and in your hearts. Be encourage and just remember all the good times you shared.

I just heard of Howard's passing. We were good friends in high school. He was so funny and I loved his laugh and his smile. My condolences to the family. I know he created some wonderful memories. In every picture I saw he was smiling. That smile and joy will always be with you.
