“ *Monica,*

I was deeply saddened to hear the news about the loss of your mother. My thoughts and prayers are with you and your family during this difficult time. You did an important work in honoring and taking care of your mother during her final days and I?m sure that she was proud of you for it. I know you will miss your mother greatly?for there is nothing like a mother. Just know that in and of your self you can do nothing, but draw upon the strength of the Lord. In times of despair seek Him. He hears your cries and He cares and He will comfort you. You have my deepest sympathy. You know if you need me, I?m just down the road.##imported-begin##Monique Logan-Mitchell##imported-end##

“ Monica,
I want you to know that you and your family are in my prayers. I have lost a mother and I can honestly tell you that as time goes on the tears don't come as often, but the memories are always constant. The bible tells us in 2 Corinthians 5:8, "We are confident, I say, and willing rather to be absent from the body, and present with the Lord". Simply stated, it is more pleasing to be in the Lords presents. She is in a great place and suffers no more.

Be blessed and stay encouraged,
