“ *Inez Lattimore was a true Child of God. She worked tirelessly for Peace in the World. She knew how to get people involved in her mission. She had a vitality that was contagious. She loved her Church. She was a strong supporter of the Presbytery. She was loved by all who associated with her. These words from Psalm 18 best describe her philosophy:*

*"The Lord is my rock, and my fortress, and my deliverer; my God, my strength, in whom I will trust,"*

*She was a true friend. She will be missed. But we know she is in a better place where there is no pain or suffering. We know that the Lord will take her hand and say "Well done, good and faithful servant".*

“ Soror Lattimore visited our chapter in Atlanta a few times. It was a delight to be in her presence, to be in her spirit. She was a positive energy and a joy. We were blessed to have experienced her for just a brief time. She came to continue building her Zeta Legacy. We appreciate her and the treasures she left us as her legacies continue to hold their torch high. Our condolences are extended to the entire Lattimore family.
