“ *To Randy, Sonya & Lisa, my Prayers are with you and your family. I wanted to share with you that your mother was a very good friend to me. I loved her dearly. Isabell was responsible for me moving into my new apartment home on the SE side, where I am living now and she told me if their was anything she could do for me to let her know. Your mom and me go a long, long way back from 58th street. My children Dave and Mark grew up with Lisa, Sonya and Randy and my sister Kim went to school with Sonya they all send their love and are praying for the family. I will miss your mom so much and I will always remember the good, loving and kind hearted person she was. I will never forget my friend.

“ To Randy, Nookie, & Lisa your Mother will always be in my heart! We was friends for over 30 years. We met when I lived on R St. NE & she lived on Q St. Our kids grew together when they were younger! When she moved to 58 St. I moved to 51 St. I remember Brother & Glen. To all of the family, you will continually be in my prayers!##imported-begin##Rena Addison##imported-end##

“ To: Randy, LaSonya, and Lisa it sadden our hearts when we heard that Isabell departed this life here on earth. Therefore, it is only fitting that I offer you a poem of encouragement for such a beautiful mother, sister, grandmother and aunt.

“Gods Garden”

*God looked around his garden and found an empty place.
He then looked down upon the earth and saw Mother’s tired face.*

He put his arms around her and lifted her to rest.

God’s garden must be beautiful, He always takes the best.

He knew that mother was suffering; He knew mother was in pain.

He knew that your mother would never get well on earth again.

*He saw the road was getting rough and the hills were hard to climb.
So he closed mother weary eyelids and whispered, 'Peace be Thine'.*

I know your hearts are broken to lose such a beautiful mother.

But she didn't go alone, for part of you went with her. The day God called mother home.##imported-begin##Samantha Yvette Wiggins & Family##imported-end##
